Normal maintenance

Any and all adjustments and periodic maintenance as given in the operator's manual which can be carried out by the operator. The operator may request Big Bale North to effect these adjustments; a charge will be made for this service.

If the customer fits a part or parts which have not been supplied by Big Bale North warranty will be void for that part and any parts subsequently damaged by that part.

Accidental or Operator damage

Repairs necessitated by accident or negligence of the operator are not covered by Big Bale North's warranty and should be covered by the customer's own insurance.

General

Big Bale North's warranty will not cover breakdown, damage or loss due to normal wear and tear, corrosion or rusting, frost or willful neglect, failure to adhere to maintenance recommendations or operational instructions, road traffic or other accidents, overloading or foreign bodies picked up in the field or on the road.

Warranty will normally cover most items for normal deterioration due to use and fair wear and tear, providing the procedures specified in the operator's manual and/or operator updates are carried out by the operator.

The Big Bale Co (North) Ltd reserves the right to make the final decision on warranty claims when there is a question as to the responsibility for the cause of the failure.

**WHEN YOU PURCHASE A BALER THE CUT OFF DATE FOR CLAIMING WARRANTY
